

Rory the Nurse

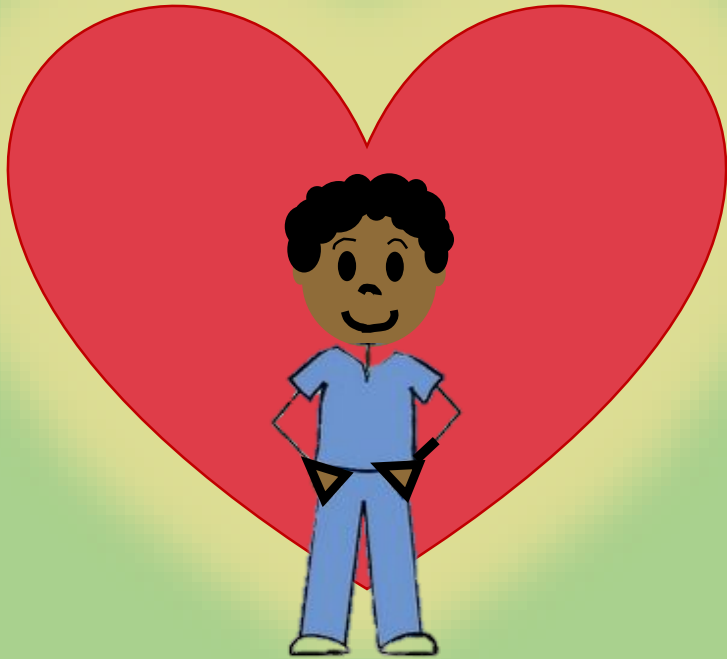

Rory is a nurse.

He works at the hospital.

He takes people's temperature

and gives them medicine.

All the patients at the hospital love Rory.

Every week Rory's boss pays him for being a good nurse.

Rory uses some of his income to go grocery shopping.

At the grocery store, Rory buys

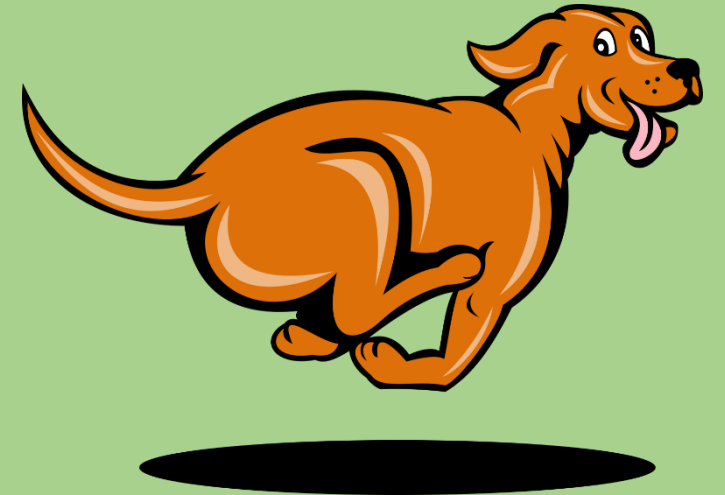

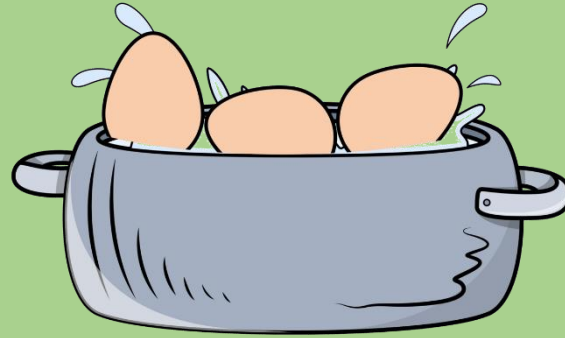

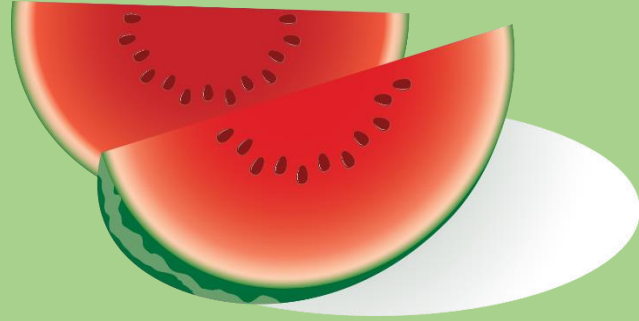

eggs,

watermelon,

shampoo,

a new video game, and

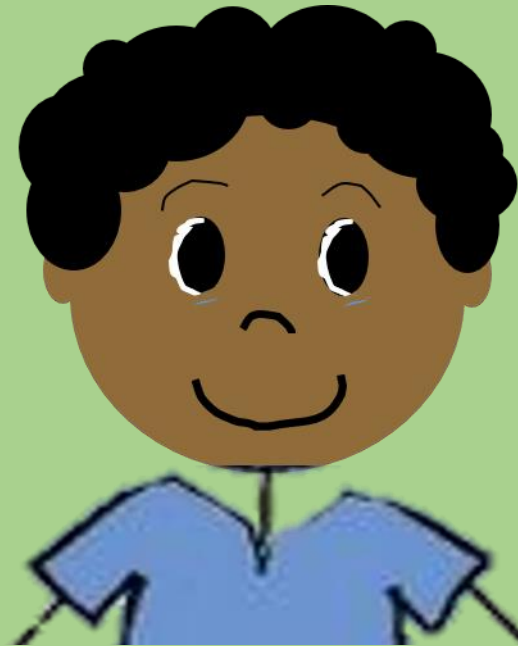

a squeaky toy for his puppy.

One day, Rory is heading home and he bumps into his best friend, Alex.

Alex says, "Happy Birthday!," and gives Rory a big hug.

Alex gives Rory a birthday card and tells him to open it when he gets home.

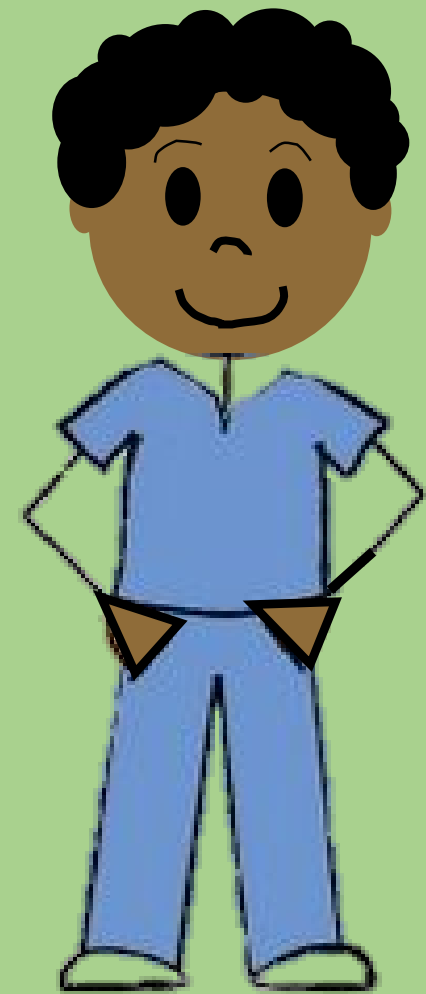

Once home, Rory opens Alex's card and finds \$10 and a nice note.

The note says....

*You are
very kind
and you
are great
at making
people
laugh!*

**It is no surprise that
all the people at the
hospital love Rory!**
